Dear Mrs Manley you will have to excuse my delay. I have been to Detroit for a few days. One of the Grays dreams came true. We received over \$9100.00 for our share at Detroit Sunday. The largest sale any two colored club ever received. The white papers & people marveled at the way the boys played. The park people are very tough to deal with. I don't know if we can get an other date this year or not. But I hope. He is where you play Aug 15th at York. 12th ~~Harrisburg~~ Altoona. 13th Wellsville N.Y. 14th Buffalo - 15th Niagara Falls. 16th local club in Pittsburg. This is hard date to fill with Pirates playing here on this date.
